Note from the Publisher

At the close of the White section of pictures, you will find several pictures and write-ups which are not in the book alphabetically. These were, through error, left out and had to be put in at the last minute, and trust this will not detract from the value of the book too much.

CITY OF ARKADELPHIA
ARKANSAS

The City of Arkadelphia joins the rest of Clark County in paying tribute to our boys and girls who gave of their efforts and their lives in the struggle for freedom from oppression.

We pledge ourselves to do our best to further the heritage of freedom of choice and action which had its beginning in 1811 when the Hemphill's became the first settlers in what is now Arkadelphia. From this beginning there has been constant growth. Growth not only in numbers, but in the political, social, and economic institutions of which we have cause to be proud.

Through our growth and the milestones that mark it, such as our beginning in 1811, our first courthouse in 1943, our incorporation and election of the first mayor in 1857, and the establishment of our churches, colleges, and business houses, has run a thread of cooperation and freedom. This thread reached its climax in the sacrifices of our boys and girls in World War II.

It is our fervent prayer that never shall they be called upon again to manifest their love of freedom in such manner.

It is our pledge and determination to make Arkadelphia a living and growing monument to the ideals for which they gave. We will strive, for their sake and for others to come, to make Arkadelphia truly a "circle of Friends" dedicated to freedom of choice, freedom of action, and equality for all in all things.

RED CROSS ACTIVITIES IN CLARK COUNTY DURING WORLD WAR II

Prior to and at the opening of World War II the Home Service program of the Clark County Chapter American Red Cross, was ably handled by Mr. George Dews. As the war continued, the demands of the Military, the service personnel and their dependents increased so rapidly that a full time worker was needed and Miss Helen Deaton became Executive Secretary. Approximately 3000 cases were handled during the war years.

Mrs. Frank Gerig called a meeting of volunteer workers and under the leadership of Mrs. W. E. Barkman the Volunteer Special Services Corps proved that the life of the American Red Cross is dependent upon volunteer services. The American Red Cross wishes to express its appreciation to the Chamber of Commerce, the Methodist Church, Presbyterian Church for the use of their facilities as work rooms and especially to the Cargile family for the use of their house as a chapter house during the last two years of the war. Mrs. Gertrude Ross as head of Surgical Dressings directed workers day and night. The knitters with Mrs. Sam Strong and Mrs. J. H. Lookadoo as chairman have an enviable record. Overcoming the handicap of no sewing room, garments were furnished in the homes. Women throughout the county contributed liberally of their time and talents. This committee is especially proud of its loan closet of medical and sick room supplies which was used frequently.

The Camp and Hospital Committee with other counties of this area has helped to take care of Red Cross requests from Army and Navy Hospital at Hot Springs. They furnished reading material, recreational materials, Christmas presents, furnished a nursery and guest room, sent cookies, provided entertainment, and met monthly donations.

The Junior Red Cross, Mrs. H. V. Matthews and Mrs. Willella Baughman, chairman, enrolled the schools of the county and contributed gifts for Christmas on the high seas, sent gifts to children at Booneville, made holiday tray favors for patients in hospitals, contributed to the National Children's Fund and aided in paper collections and War Fund drives.

The people of Clark County responded generously with their time and money to the call of the War Fund chairmen. The many extra calls on the Red Cross during the war years could not have been answered if it had not been for the financial support of the people of Clark County.

The colored people of the county proudly performed whatever duties were asked of them.

To all the patriotic men, women, and children, the Clark County Chapter, American Red Cross is greatly indebted for its splendid achievements, and it is regretted that every name of these loyal workers could not be called.

MRS. HELEN T. SMITH,

Executive Secretary Red Cross
Clark County Chapter,

MESSAGE FROM LEGION COMMANDER

Arkadelphia Post No. 57

ARKADELPHIA, ARKANSAS

Greetings to All
GI Boys and Girls
Clark County, Ark.

As Post Commander of Arkadelphia Post No. 57, American Legion, I want to commend you for the swell job you have done while in the armed forces of your country in World War. No. II. Whether you served on foreign soil or here at home, you have done a wonderful job and have maintained and preserved U.S.A., Arkansas and Clark County a great place in which to live. Now you have returned or are returning to your homes and loved ones, may you enjoy this wonderful place and loved ones you so honorably and proudly fought for and defended. We, GI's of World War I, have been with you in spirit and thought. Father Time made it impracticable for us to be with you on battle field, but we assure you we did everything in our power to back you here on the Home Front, by buying war bonds, giving to Red Cross and U. S. O., and donating blood for plasma that it might save some fighting GI's life. We fully realize that the going was tough, but with the backbone and determination you had to win, you did uphold the loyalty and heroism of yourself and your Clark County Citizens.

Even though you have suffered untold hardships and been separated from your friends and loved ones, you are going to be justly proud that you had a part in keeping this nation of ours "The Land of the Free and the Home of the Brave." We, buddies of World War I, remember the deal we received after we had completed that job, but through the GI Bill of Rights, we hope and pray that we have made it possible for you to return to your old job or a better one, or to complete that college course that you have been denied. We want you to ask for these rights and privileges, knowing that we will be backing you to the limit in getting what you so justly deserve.

To you whose names and pictures appear on the following pages, let me assure you that you have made HISTORY for Clark County and we are justly proud of each of you. I know you will be proud of your record and as the years roll by what a thrill you will get turning through the pages and seeing your old buddies of World War II days. What memories it will bring back to you and how you will cherish them.

Sincerely,

C. C. LOOKADOO,
Post Commander,
Arkadelphia Post No. 57,
American Legion.
